MOSAC Corporation Objectives

The Objectives of the Corporation are to:

1. Provide relationship support to all men in the Kimberley region of Western Australia, to help improve their family relationship skills and to reduce the incidence of family violence and abuse;
2. Provide a men's counselling service for individuals in the Kimberley region;
3. Provide therapeutic and educative groups for men to address the issues of family violence;
4. Ensure that values and beliefs are addressed through training, education and counselling;
5. Promote, develop and maintain a men's support group;
6. Conduct a community education campaign regarding general men's issues and family violence issues;
7. Help build trust and friendship between its Members and the general community;
8. Participate with other groups and organisations in projects of mutual benefit;
9. Develop and provide services for men, their families and communities in the Kimberley region;
10. Provide direct relief from poverty, suffering, helplessness and distress through the provision of the many services supplied by the Corporation;
11. Implement strategic and operational plans that advance the Objectives of the Corporation;
12. Support and develop programs and projects for the above services;
13. Develop social enterprises and similar income generative operations that advance the Objectives of the Corporation;
14. Receive and spend funds from the Government of the Commonwealth of Australia and/or the State Government of Western Australia or from any other sources; and
15. Operate and maintain a gift fund to be known as 'The Men's Outreach Service Aboriginal Corporation Gift Fund' in accordance with the requirements of the Income Tax Assessment Act 1997 (Cth).
